## WARREN WILL PLAY WITH LOWELL TODAY

Warren Won Two Games from Opponents and Expects Today's

It will be Warren very much versus Lowell in the Tri-Town league at Warren Park this afternoon. Warren has twice kicked Lowell's dog around and heretofore the last named team has missed the kick on to Bisbee but last Sunday Cap Kelly put a positive punctuation mark after that when his team overcame the former victors, for it has become a tad to kick Lowell's hound dog around.

Bisbee defeated Lowell decisively last Sunday and handed it to Warren two weeks ago, so the gulch dwellers and their friends will sit idly by and play the role of innocent bystander and rank outsider at this afternoon's game. Things are changed since Bridge-keeper Stevens came to assume the strenuous duties of care taker of Bisbee's hound dog in the Tri-Town league race, otherwise on-canyon fans might be acting as second or chief mourner for one of the cats of Kilkenny this afternoon. After today's game Bisbee will take on Warren and Lowell in that order on the two succeeding Sundays. Lowell will make a strenuous effort to regain second place in the league standing this afternoon and if it does and Bisbee is able to turn the trick, for two weeks ago Warren will be given kindly but firm directions as to where to head in for the trailer.

## BISBEE JUNIORS WIN BALL GAME

Capture Contest from South Bisbee by Awful Score of 8 to 24

The Bisbee and South Bisbee Juniors were antagonists in a ball game played at Warren park yesterday afternoon, with every grandmother-orphaned son in the district present on the rooting line. "Three times everything you say," the limit of boyish calumny, was materialized, for the South Bisbee bunch, who lost to the urbanites by the heavily-listing-to-port score of 8 to 24.

H. Doyle and F. Krigbaum, of the Bisbee Juniors, plucked three-base hits, and McCrea pilfered bases in a shameless manner. Nelson Handcock umpired the game. The line-up was as follows:

Bisbee Juniors: H. Doyle, c; F. Krigbaum, (captain); P. H. Downing, first base; T. Must, second base; J. McClay, short; T. Wallace, third base; H. Cochran, right field; J. McCrea, center field; W. Ashby, left field.

South Bisbee: T. Peters (captain) catcher; D. Jeffrey, p; E. Sharp, first base; H. Harper, second base; E. Duckett, short; H. Burrows, third base; M. Wallace, right field; Dan O'Toole, center field; B. Jeffrey, left field.

## BISBEE BOWLING TEAM CAME BACK

Won Third Game of Series from Y. M. C. A. Team of Douglas

After being apparently hopelessly defeated the bowling team of the Bisbee Y. M. C. A. "came back" in the third game of the series of three with the Douglas Y. M. C. A. team at the "Y" alleys last night and got away with the series and the 1912 championship, carrying with it the beautiful silver trophy which has been in the possession of the Douglas association since 1911.

The scores of the teams in the three games were as follows:

	1st	2nd	3rd
Douglas	141	128	104
Greenberg	138	128	138
Balziel	140	170	125
Lohmar	176	169	157
Domaneich	177	168	149
Totals	772	763	671

	1st	2nd	3rd
Bisbee	129	150	156
Harrington	164	140	164
Cochran	115	96	169
Bergquist	172	144	151
Amos	149	148	174
Totals	729	678	811

Grand total for Douglas 2,206; for Bisbee 2,231; margin of victory 25. At the end of the first game Douglas had a lead of 33 points and added 55 more to its lead in the second game, its total lead before the beginning of the third and last game being 118 points. In the third game Bisbee overcame the lead and won the championship and the trophy by 25 points, winning the third game of a margin of 142.

In the second game Festerling was substituted for Cochran.

## FAST TIME MADE OVER BORDERLAND

Autoist Went from Phoenix to Deming, 469 Miles, in 18:05 Hours

DEMING, N. M., May 4.—In order to try out and demonstrate the quality of that portion of the Borderland route lying in the mountainous part of Arizona and New Mexico, C. H. Lester, in his Imperial car made the following time from Phoenix, Ariz., to Deming, N. M.:

Phoenix to Florence 2:05, distance 50 miles; Florence to Tucson 2:55, distance 71 miles; average speed per hour, 21.66 miles.

Tucson to Douglas 5:30, distance 135 miles; average speed per hour 25.27 miles.

Douglas to Deming 6:35 hours, distance 160 miles; average speed per hour 24.29 miles.

Total distance, Phoenix to Deming 429 miles; total time in running distance 18:05 hours; average speed per hour for entire distance 23.82 miles.

No damage was done the car except in one casing, caused by picking up a railroad spike.

This shows what can be done on the Borderland route, even in its present incomplete condition.

## SCHOOLS GETTING READY FOR MEET

Preparing for Contests at Warren Park Next Saturday

District school teams are hard at work practicing for the outdoor field meet which will be held at Warren park next Saturday afternoon. Interest has been augmented by the fact that the Y. M. C. A. has donated a beautiful silver trophy cup to the team winning the greatest number of points. This trophy may be seen in the trophy cabinet at the association building.

The events on the program will be: running broad jump, standing broad jump, running high jump, 50-yard dash, 220-yard dash, 440-yard relay race with teams of four men each, and 100 yard "sprints" and a 150-yard dash.

In addition to the events for the school teams, there will be free-for-alls, such as potato race, three-legged race, etc. The schools that will be represented are Central, Warren, Lowell and Lincoln, the last named team being the championship school of the district.

## TRAVELING TENT SHOW FOR AUTOS

Proposed to Take Machines from Town to Town on Exhibition

INDIANAPOLIS, Ind., May 4.—That a traveling automobile show, displayed under canvas, on a circuit every throughout the United States, would be a good way to bring to the attention of the American public is a brief outline of the plan now being considered by the Indiana Automobile Manufacturers' association.

For some time the automobile manufacturers of Indiana have been looking to the solution of a plan to bring to the attention of the American public the value of Indiana made cars. C. J. Cole, it is believed, has solved the problem in this traveling tent show idea.

The plan, as outlined to the association by Mr. Cole, calls for the procuring of a special railroad train, the loading of one or two of each company's models on this special train, going to different cities, and having three or four days' or even a week's automobile show in each place. The display is to be under a tent. It is planned to start in the near future and to travel through the state, showing the automobile show and doing newspaper advertising the same as a circus.

Indiana has more automobile factories in point of number than any state in the union. There is a great deal of harmony among the manufacturers, the plan being to better, by this co-operation, as much as possible, Hoosier made machines.

The Manufacturers' association is now considering the feasibility of putting the tent idea to a trial early in the fall, at which time all of the manufacturers will have their 1913 models ready for display.

## School of Love in Germany.

In order to counteract the falling off of marriage rate a "school of love" has been started at Strasburg, Germany. The school will also give advice on obscure questions, such as how to encourage budding attentions, how to discourage them, how to converse with serious men without any serious knowledge, and how to be gay and frivolous while suffering from headache, bankruptcy, and other ills.

## Use of the Horse.

Owing to the advancement of science it would be possible to get along without horses now, if it were not for the necessity of having a few of them at the annual horse shows.

## GOOD BALL GAME FOR THIS MORNING

Phelps-Dodge Team to Play with Junction Mine Ball Team

The Phelps Dodge ball team will play the strong Junction mine team at Warren park this morning at 9:30. A large crowd is expected to be on hand, as each team has a big following, and much rivalry exists as to which is the stronger team. Fans may look for excitement, as each team is out to win. No admission charged to the park for the initial game.

It is learned that the Phelps Dodge ball team has issued challenges to each of the teams in the Fraternal league and fans may expect announcement of a schedule of games with the Phelps Dodge team vs. Moose, Eagles, Elks and Knights of Columbus teams. The baseball outlook is "looking up," with some ten or a dozen teams at ready organized in the district.

## ANOTHER STRONG BILL AT THE ROYAL THEATRE

Commencing Sunday matinee one of the strongest bills put on at the Royal for some time will be shown to the public.

Mr. Harry Freeman, in song specialties such as the Dublin Rag from Madame Sherry, and Bert Williams' latest song "You're Going to Get Something You Don't Expect."

On account of the constant call for the song "Dream Man" it will be used by Mr. Freeman as an encore during the week.

"A Waif of the Sea" a strong picture of the sea and a number of incidents in the different scenes brings to mind the recent disaster to the large White Star liner. The story deals with a sinking vessel, in which a little child is placed in a box and is later found by the fishermen who adopt him. The mother and father of the boy are supposed to be drowned, but in later years he finds his father the captain of a ship in which he tries to stow-away.

"The Great Diamond Robbery" is full of laughs from beginning to end, showing how foolish some show people are in trusting their jewels to the grafter, and how simple they become over dogs.

In this picture the dog is supposed to have swallowed a large diamond ring, or it has been stolen by some robber. The dog disappears and they hunt all the butcher shops, buying up all the sausage so that the ring can be returned. Two "Sherlock Homes" get mixed in the case and when the ring and dog are returned, they loose their money and reputations. The picture is a scream.

"At the Point of the Sword" is an exciting picture from start to finish, dealing with nobility and an escaped outlaw.

A young girl is meeting her lover in an old ruined place when an outlaw is captured by a file of soldiers and left at the inn, but later is released and escapes through the efforts of the girl. Later the outlaw returns the compliment by helping the girl to marry the man she wants.

"MELITA'S RUSE" is a Mexican picture and shows a saloon brawl between two of the Mexicans in which one is shot.
